## TE PŪ - THE PAST

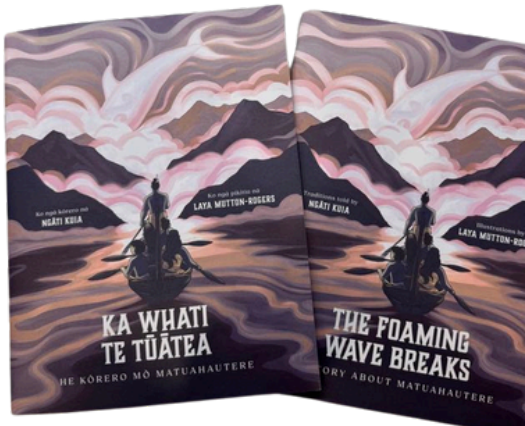

### TITIRAUKAWA

Our whānau accommodation at Titiraukawa is temporarily closed while we carry out upgrades to restore and strengthen the space, ensuring it remains safe and fit for purpose. We will be honouring all existing bookings only until further notice and look forward to welcoming whānau back once the work is completed and the space is ready to reopen.

### GET A COPY OF OUR PUKAPUKA

We have released a new pukapuka, Ka Whati Te Tūātea, a story about Matuahautere. This project was led by Te Kāhui Mātauranga and supported by the Ministry of Education as part of the Aotearoa Histories in Schools initiative. To receive your own copy, simply update your contact details by scanning the QR code at the top of the page. We’re shifting towards a more direct way of staying in touch, with fewer social media posts, and more pānui straight to you. That way, you’ll be the first to hear about iwi opportunities and kaupapa. Our mail-out is happening late July, so don’t miss out.

# HE INGOA HOU: POU HE PŪRANGA HUA WHAKAREA

As part of our ongoing journey to better reflect Ngāti Kuia values and aspirations, the name of our financial pou has changed from Pou He Pūtea to a name gifted from Matua Huataki: Pou He Pūranga Hua Whakarea. Pūranga refers to finances or a sum of money. Hua speaks to assets, fruits, and mathematical solutions, which are the outcomes produced through wise investment and effort. Whakarea means to grow or increase. This name will be grounded in our SIPO (Statement of Investment Policy and Objectives) “managing our assets responsibly.” Pou He Pūranga Hua Whakarea acknowledges our responsibility not just to safeguard iwi resources, but to grow and multiply them for the benefit of our people now and for generations to come.

## KAIMAHI HOU

Casey Anderson

We’re proud to welcome Casey Anderson into this new role. She joins us from Nelson City Council, where she served as Kaituitui Māori, Partnership Coordinator. She brings with her strong experience in iwi-council relationships and a deep commitment to the Taiao. Casey will lead our mahi to revitalise our Taiao across Te Kupenga a Kuia, ensuring our tikanga and places of significance are upheld and protected. She’ll be working closely with whānau, organisations and wider communities to support our role as kaitiaki of this rohe.

## KĀUMATUA MORNING TEAS

Every second Tuesday at Te Tari Pakohe, our kaumātua come together to share stories, kai, and good company. If you’re a kaumātua in Wairau and would like to come along, please contact Ngaire on 027 246 0165 to join us. At a recent hui, it was decided to honour Peter Meihana and Sharyn Smith for their dedicated service as Trustees of Te Rūnanga o Ngāti Kuia. They were gifted pakohe patu, with kōrero led by matua Huataki. Both Peter and Sharyn spoke warmly, reflecting on their time on the board and offering encouragement to those considering stepping into governance.

## WHĀNAUSAVER

WhānauSaver is an iwi-backed savings and investment scheme that's similar to KiwiSaver, but with some key differences that are designed to support whānau. There are no fees, and Ngāti Kuia matches what you contribute, up to \$100 a year. You can use your WhānauSaver funds for buying your first home, tertiary education, retirement (with access from age 55) and emergencies. If you whakapapa to more than one participating iwi, you can receive contributions from each. It's more flexible than kiwisaver, easy to manage, and gives your savings a boost.
